3 Lines

Join your sisters in showing your support and commitment to the first ever AOII sorority house at UTK. Your purchase of a 4" x 8" Brick (\$250 per brick) will become a permanent part of **Omicron's Recognition Patio**. It is a great way to honor a loved one or celebrate a fellow sister. Some suggestions would be: "in memory of", "the class of", "name and initiation year", "poetic phrase", "dedicated to". The campaign will end **Sept 1, 2012**. We only have **311 bricks available** for this patio, so make your commitment soon!

**YES! I want to participate in the brick campaign for the Omicron House at the University of Tennessee, Knoxville.**
