

## **Designate Your Campaign for Tennessee Gift to AOII**

As many alumnae may already know, UT has been raising funds for its \$1 billion Campaign for Tennessee since Jan. 1, 2005. UT announced at its official kickoff event on April 17, 2008, that more than \$700 million has already been raised. The building committee asks you to please consider designating your Campaign for Tennessee gift to AOII.

“Gifts to the building projects should be made through UT, and donors will receive the same benefits they receive for any gifts to UT,” said Martha Masengill of the UT Development Office.
