## Omicron Chapter to Host 48th Annual BBQ

*By: Ellie Wilson Whitesell ('91), BBQ Chair*

On Saturday, Oct. 25, three hours prior to kick-off of the Alabama vs. Tennessee football game, our 48th annual BBQ, benefiting Arthritis Research and the Harriet C. Greve Scholarship, will be held in Circle Park on the beautiful UT campus.

Please support your Omicron Chapter. In addition to the good food, music and fun, something special for you to check out this year will be our Omicron Chapter House renderings. For tickets and more information, please contact Ellie Wilson Whitesell ('91) at 865-691-6924 or [ewhitesell@comcast.net](mailto:ewhitesell@comcast.net). Please support AOII and the Vols!

Also, a BBQ chair for next year's event is needed. If you are interested, please contact Tyra Haag ('00) at [tyrahaag@hotmail.com](mailto:tyrahaag@hotmail.com).

## House Renderings to be Unveiled at Oct. 25 BBQ

*By: Lauren Zaller ('03), Architecture and Building Subcommittee Leader*

At this year's BBQ, come see renderings for our Omicron Chapter House! We will be unveiling and sharing them with all of our family and friends in anticipation of groundbreaking next year.

In addition, we will have a more detailed exterior rendering as well as interior renderings. We look forward to seeing you there to share in this excitement!

Roses,

Omicron Chapter Architecture and Building Subcommittee

*Pictured above is a prospective sketch of the outside of the house. Additional house renderings will be unveiled at the BBQ on Oct. 25.*

**Happy Halloween**

The AOII Building Committee wishes all AOIIs and their families a safe and fun Halloween. Here are some quick safety tips from the Food & Drug Administration to help keep the family safe:
